

DRAFT CLINIC

**Sunday, August 26
Black Forest,
Colorado**

The intent of the clinic is to promote draft work and to offer a place where people of different experience levels can get together to train with their dogs and learn tips and tricks, hone their skills, and ultimately prepare for a BMDCA Draft Title. Training will consist of a single, all-level track with options that allow the handler to focus on their particular areas of interest. Each session will be geared for a range of handlers with little or no experience, dogs who have never been hooked up to a cart, or teams that are just starting out and want to learn solid foundation skills; as well as towards dogs and handlers with some experience, who are able to negotiate basic obstacles, or are tuning up and preparing for an upcoming BMDCA Draft Test. Instruction will be provided by BMDCA Draft Judges and Draft Title Holders. A limited number of draft carts and harnesses will be available for participants to use during the clinic.

Date: Sunday, August 26, 2018
